

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 20, 1996

SUBJECT: **SB 3100 - HB 3030**

This bill, if enacted, will allow a restricted driver license for persons convicted of first offense of Driving While Impaired and would no longer require mandatory revocation. The license reinstatement fee would be lowered to \$20 from the current \$65 fee.

The fiscal impact of this bill is estimated to be in an increase in state expenditures for processing the restricted licenses but the amount is estimated to be not significant. The fiscal impact is also estimated to increase state revenues for issuing restricted licenses and a decrease in state revenues because of lowering the reinstatement fee. The net effect on state revenues is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first name "James" and last name "Davenport" clearly legible.
